

St Mary's Episcopal Dunblane - Touchscreen Survey Summary Analysis November 2016

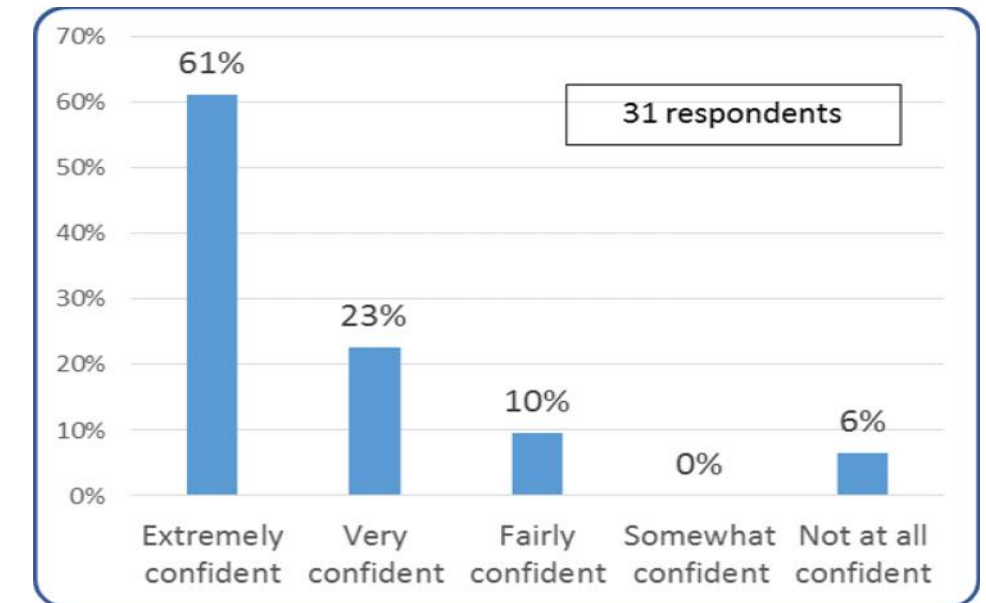

Q1 Do you feel this revised parent night format has helped you to understand the learning your child has undertaken this session so far?

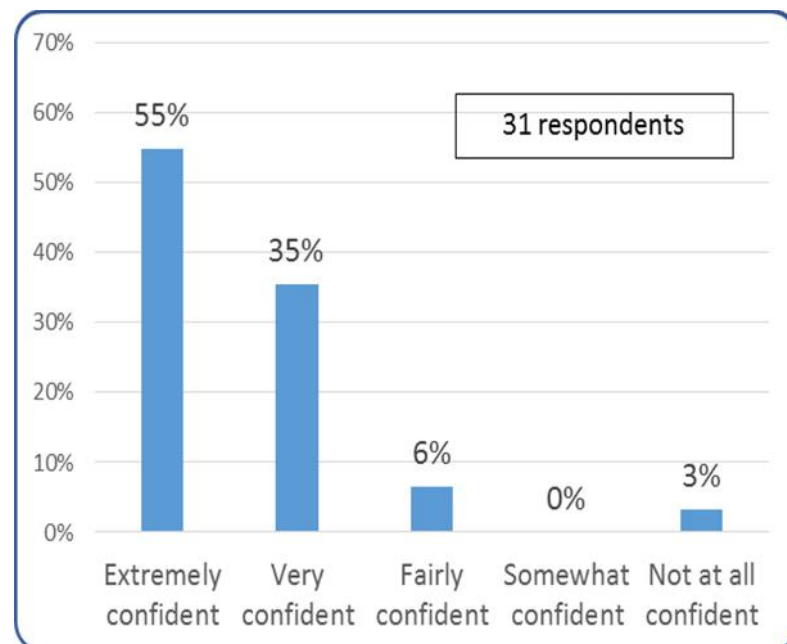

Q2 Was your child able to tell you about their learning?

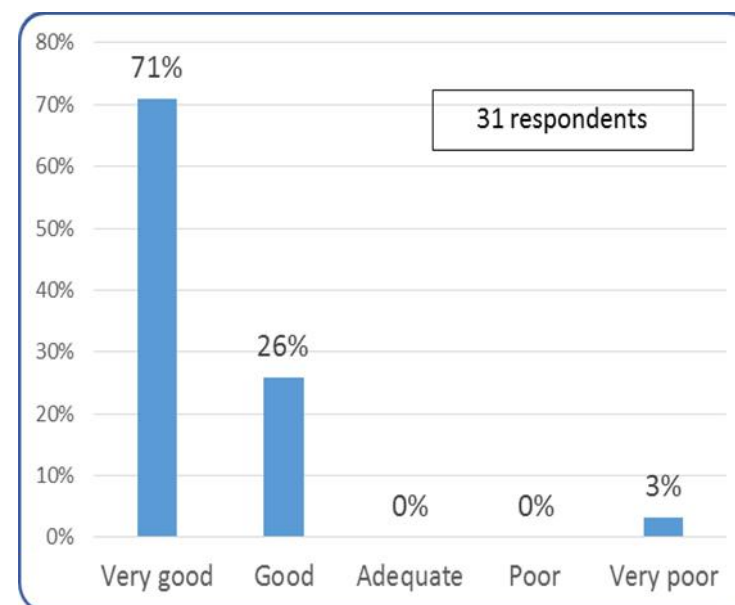

Q3 How confident was your child in sharing their learning in the classroom?

Q4 How confident was your child in sharing their learning in the classroom?

Q5 How would you rate your understanding of the progress that your child has made so far this session?

Q6 What else could we do to help support parents in contributing to and understanding your child's learning?

- I love the new format.
- Keep going with this new system.
- I find the curriculum descriptions with the homework a bit indecipherable and a more layman's translation of targets and target skills would help me have some idea of what's being worked on.
- More targeted information events looking at specific learning areas.
- Doing a very good job thanks for all your efforts.
- Very happy with what has been provided. Thank you.
- I think nothing else....this year so far has been fab.
- I think you all do a fantastic job. Thank you.
- Written reports.
- Now we know how to log on to edu profile this would be a good way for us to see (name) learning and be able to make comments and support him.
