Dear Parents / Carers,

Scottish Poetry Winners

Well done to all the children in our school who have been working hard learning their Scottish Poetry over the last few weeks. Congratulations to the following pupils who were our stage winners in this year's Scots Poetry Competition:

P1 ~ Arthur Kelly, P2 ~ Oliver Beher, P3 ~ Murray Fletcher, P4 ~ Neil-Arthur Byrne,
P5 ~ Eve Davies, P6 ~ Peter Owen, P7 ~ Amatey Tedesco

The Great Dunblane Story

Our older children are to take part in amazing telling of the 2000 year history of Dunblane. The P5/6 pupils will join the 4 P6 classes from Newton and Dunblane Primaries to perform a specially commissioned multi media dramatic telling of our proud historic Dunblane past. The fast moving hour long show will whiz the audience through early Dunblane Man, the Romans, Dark Age, Jacobites, Victorian Dunblane and a host of famous characters from history who have all visited our community.

It will be full of astonishing pictures, music, songs, dances and drama. The three local schools have joined together to make this a very special transition project to prepare for High School.

The show will be researched written and directed by the acclaimed Tapsalteerie Theatre who have worked with community projects across Scotland. It is done in partnership with The Stirling Smith Art Gallery and Museum.

There will be two public performances on **Wednesday 6th March at 2pm and 7pm** and we hope all performers can keep their diaries free! It will be something the children will remember all their lives. Tickets will go on sale in February and will sell fast!

Easter Service

Following a meeting with Nerys we have decided to change the date of our Easter Service to be on **Friday 29th March 2019 at 2:15pm**. The will be presented by our P3/4 class who will be working with Nerys over the coming months.

Positive Behaviour - Relationships Policy

Looking ahead to next session we would like to refresh our school's positive behaviour approaches by developing a Relationships Policy which fully reflects a whole school commitment to nurture. We will also be updating our current anti-bullying school policy to reflect Stirling's Approach to Respect for All - Preventing and Challenging Bullying Behaviours October 2018 guidance and the government's national strategy. Should anyone like to join a working group please contact the school.

Scots Song Project

Next term our whole school will be presenting their learning of Scots Songs with Amy Lord on **Wednesday 5th June**, more details to follow closer to the event

Hi-Five Presentation

The Hi5 Award is an exciting award for young people age 5+ that records and recognises wider achievement. This award has been credit rated and levelled by the Scottish Qualifications Authority (SQA) on the Scottish Credit and Qualifications Framework (SCQF). To share more about how we will be delivering this in school we would like to invite you to attend a brief presentation on **Friday 8th February at 3pm in the school.**

Class Dojo

Can all parents please be reminded of the purpose of Class Dojo. This is an agreed method of communication between teachers and parents to relay relevant information such as - picking up for an appointment or unable to take part in P.E etc. Any information beyond that should either come to the school email or arrange an appointment with relevant staff. There is no expectation of any staff to respond to a Class Dojo message before 8:30am or after 5pm Monday to Friday. Thank you for your continued support.

Head Lice

A reminder that all parents should remain vigilant throughout the year and treat their child's hair appropriately if required. Further information on the treatment of head lice can be found using

the following link www.stirling.gov.uk/conditions/head-lice

Winter Vomiting

All schools have been again asked to remind parents that any child who has suffered from winter vomiting bug or noro-virus must stay away from school for 48 hours after sickness has stopped.

This is very important in order to reduce the spread of sickness

Nut Free School

We will continue to be a **nut free school**. Children should not bring any foods, snacks or packed lunches which contain traces of nuts. This includes Nutella.

Adverse Weather

Information regarding adverse weather affecting school opening will come directly from the school by text message in the first instance, message via our school app as well as updates on the Stirling Council webpage. <https://my.stirling.gov.uk/alerts>

Parent Council December update

The Parent Council met on Monday night and we talked about the school improvement plan, fundraising, finances, the new smartboards, the reply form the Council about parking on Smithy Loan, the new defibrillator that is arriving soon and child protection training. Look out for the minutes by email and on the school website soon.

The Parent Engagement Survey was completed in November and we have started to look at how to make improvements with communication and parental involvement in decision making. Again, this is being worked on now and will be available soon.

We are now registered with Volunteer Scotland for the PVG (Protection of Vulnerable Groups) scheme so the more of us who are willing to register with them, the better. If you are considering volunteering in the school in any capacity, please consider joining the scheme. Klara Kynaston is co-ordinating this for us.

Mental Health Task Force

The Scottish Government is looking at how to improve mental health services and has put together a Task Force who have completed a report. They are open to comments and feedback so we are proposing putting together a short life working group to read the document and compose a response. If you would like to be involved, please let Liz Owen know.

Disco

IS ON! See you on Saturday night - 2nd Feb. 6.30-8pm. £3 entry that includes the disco, games and a snack.

St Mary's Episcopal Church

Well done to all the children in our school who have been working hard learning their Scottish Poetry over the last few weeks. Congratulations to the following pupils who were our stage winners in this year's Scots Poetry Competition:

P1 ~ Arthur Kelly, P2 ~ Oliver Beher, P3 ~ Murray Fletcher, P4 ~ Neil-Arthur Byrne,
P5 ~ Eve Davies, P6 ~ Peter Owen, P7 ~ Amatey Tedesco

The Great Dunblane Story

Our older children are to take part in amazing telling of the 2000 year history of Dunblane. The P5/6 pupils will join the 4 P6 classes from Newton and Dunblane Primaries to perform a specially commissioned multi media dramatic telling of our proud historic Dunblane past. The fast moving hour long show will whiz the audience through early Dunblane Man, the Romans, Dark Age, Jacobites, Victorian Dunblane and a host of famous characters from history who have all visited our community.

It will be full of astonishing pictures, music, songs, dances and drama. The three local schools have joined together to make this a very special transition project to prepare for High School.

The show will be researched written and directed by the acclaimed Tapsalteerie Theatre who have worked with community projects across Scotland. It is done in partnership with The Stirling Smith Art Gallery and Museum.

There will be two public performances on **Wednesday 6th March at 2pm and 7pm** and we hope all performers can keep their diaries free! It will be something the children will remember all their lives. Tickets will go on sale in February and will sell fast!

Easter Service

Following a meeting with Nerys we have decided to change the date of our Easter Service to be on **Friday 29th March 2019 at 2:15pm**. The will be presented by our P3/4 class who will be working with Nerys over the coming months.

Positive Behaviour - Relationships Policy

Looking ahead to next session we would like to refresh our school's positive behaviour approaches by developing a Relationships Policy which fully reflects a whole school commitment to nurture. We will also be updating our current anti-bullying school policy to reflect Stirling's Approach to Respect for All - Preventing and Challenging Bullying Behaviours October 2018 guidance and the government's national strategy. Should anyone like to join a working group please contact the school.

Scots Song Project

Next term our whole school will be presenting their learning of Scots Songs with Amy Lord on **Wednesday 5th June**, more details to follow closer to the event

Hi-Five Presentation

The Hi5 Award is an exciting award for young people age 5+ that records and recognises wider achievement. This award has been credit rated and levelled by the Scottish Qualifications Authority (SQA) on the Scottish Credit and Qualifications Framework (SCQF). To share more about how we will be delivering this in school we would like to invite you to attend a brief presentation on **Friday 8th February at 3pm in the school.**

Class Dojo

Can all parents please be reminded of the purpose of Class Dojo. This is an agreed method of communication between teachers and parents to relay relevant information such as - picking up for an appointment or unable to take part in P.E etc. Any information beyond that should either come to the school email or arrange an appointment with relevant staff. There is no expectation of any staff to respond to a Class Dojo message before 8:30am or after 5pm Monday to Friday. Thank you for your continued support.

Head Lice

A reminder that all parents should remain vigilant throughout the year and treat their child's hair appropriately if required. Further information on the treatment of head lice can be found using

the following link www.stirling.gov.uk/conditions/head-lice

Winter Vomiting

All schools have been again asked to remind parents that any child who has suffered from winter vomiting bug or noro-virus must stay away from school for 48 hours after sickness has stopped.

This is very important in order to reduce the spread of sickness

Nut Free School

We will continue to be a **nut free school**. Children should not bring any foods, snacks or packed lunches which contain traces of nuts. This includes Nutella.

Adverse Weather

Information regarding adverse weather affecting school opening will come directly from the school by text message in the first instance, message via our school app as well as updates on the Stirling Council webpage. <https://my.stirling.gov.uk/alerts>

Parent Council December update

The Parent Council met on Monday night and we talked about the school improvement plan, fundraising, finances, the new smartboards, the reply form the Council about parking on Smithy Loan, the new defibrillator that is arriving soon and child protection training. Look out for the minutes by email and on the school website soon.

The Parent Engagement Survey was completed in November and we have started to look at how to make improvements with communication and parental involvement in decision making. Again, this is being worked on now and will be available soon.

We are now registered with Volunteer Scotland for the PVG (Protection of Vulnerable Groups) scheme so the more of us who are willing to register with them, the better. If you are considering volunteering in the school in any capacity, please consider joining the scheme. Klara Kynaston is co-ordinating this for us.

Mental Health Task Force

The Scottish Government is looking at how to improve mental health services and has put together a Task Force who have completed a report. They are open to comments and feedback so we are proposing putting together a short life working group to read the document and compose a response. If you would like to be involved, please let Liz Owen know.

Disco

IS ON! See you on Saturday night - 2nd Feb. 6.30-8pm. £3 entry that includes the disco, games and a snack.

St Mary's Episcopal Church

Doves

Do go and spend a moment with the doves in the church (open every day) and maybe even make a dove with a note of encouragement to someone you know.
